NEW & ADDITIONAL INFORMATION

Space is rented in 5' blocks with a minimum of 2 blocks (10feet).

There WILL NOT be any spaces between booths, so if you want to use the sides of your booth to show product you must rent enough space to allow for this.

Political Vendors now fall under the business category.

Due to spacing, water and electrical needs, we reserve the right to place and/or move any vendor's booth location.

Please indicate if you would like the same location as last year. We will do our very best to accommodate, but due to our new Rental Space layout we cannot guarantee location.

You will be considered a food vendor if you sell any consumable items, pre-packaged or otherwise. (this includes pop, water, juice or sport drinks).

Non-Profits are defined as organizations created to support educational, religious, or charitable activities.

No one will be allowed to give away any FREE beverages during the festival.

Electricity

Electrical requirements and guidelines are disclosed in instruction #7. Fill in below the electrical equipment you will be using along with voltage and wattage/amperage requirements. List all equipment, as any equipment added during the festival will be an additional charge or not allowed. Amperage use will be checked during the course of the festival. Indicate the total number of electrical drops needed here and on the front page.
